Specifications

Deco Fence® Custom Range is all manufactured using EXTRA strong aluminium four fin horizontal rails which have been NATA tested to be 45% stronger than a standard hollow rail. The 16mm round vertical bars spaced at 90mm centres pass through the rails and are securely welded into position under the rails out of sight.

Standard Heights - 900mm, 1200mm, 1500mm, 1800mm (1800mm includes midrail at 600 from bottom). Custom sizing and styles available or design your own fence. *Not suitable for pool fencing
